

ELECTRONIC FUNDS TRANSFER AGREEMENT AND DISCLOSURE

For purposes of this disclosure and agreement the terms "we", "us" and "our" refer to Madison Bank of Maryland. The terms "you" and "your" refer to the recipient of this disclosure and agreement.

The Electronic Fund Transfer Act and Regulation E require financial institutions to provide certain information to customers regarding electronic fund transfers (EFTs). This disclosure applies to any EFT service you receive from us related to an account established primarily for personal, family or household purposes. Examples of EFT services include direct deposits to your account, automatic regular payments made from your account to a third party and one-time electronic payments from your account using information from your check to pay for purchases or to pay bills. This disclosure also applies to the use of your MB ATM card or MASTERMONEY Debit card at automated teller machines (MB ATMs) and any networks described below.

TERMS AND CONDITIONS.

The following provisions govern the use of electronic fund transfer (EFT) services through accounts held by financial institutions which are established primarily for personal, family or household purposes. If you use any EFT services provided, you agree to be bound by the applicable terms and conditions listed below. Please read this document carefully and retain it for future reference.

ELECTRONIC FUND TRANSFER SERVICES PROVIDED

SERVICES PROVIDED THROUGH USE OF A MB ATM CARD OR MASTERMONEY DEBIT CARD

If you have received an electronic fund transfer card ("MB ATM card" or "MASTERMONEY DEBIT card") from us, you may use it for the type(s) of services noted below, and the following provisions are applicable:

USING YOUR CARD AND PERSONAL IDENTIFICATION NUMBER ("PIN")

To assist us in maintaining the security of your account and the terminals, the MB ATM card or MASTERMONEY DEBIT card remains our property and may be revoked or canceled at any time without giving you prior notice. You agree not to use your MB ATM card or MASTERMONEY DEBIT card for a transaction that would cause your account balance to go below zero, or to access an account that is no longer available or lacks sufficient funds to complete the transaction. We will not be required to complete any such transaction, but if we do, we may, at our sole discretion, charge or credit the transaction to another account, and you do agree to pay us the amount of the improper withdrawal or transfer upon request.

Your MB ATM card may only be used with your PIN. Certain transactions involving your MASTERMONEY DEBIT card require use of your PIN. Your PIN is used to identify you as an authorized user. Because the PIN is used for identification purposes, you agree to notify the Madison Bank of Maryland immediately if your MB ATM card or MASTERMONEY DEBIT card is lost or if the secrecy of your PIN is compromised. You also agree not to reveal your PIN to any person not authorized by you to use your MB ATM card or MASTERMONEY DEBIT card or to write your PIN on your MB ATM card or MASTERMONEY DEBIT card or on any other item kept with your MB ATM card or MASTERMONEY DEBIT card. We have the right to refuse a transaction on your account when your MB ATM card or MASTERMONEY DEBIT card or PIN has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

The security of your account depends upon your maintaining possession of your MB ATM card or MASTERMONEY DEBIT card and the secrecy of your PIN. You may change your PIN if you feel that the secrecy of your PIN has been compromised.

The following services are available through use of your MB ATM card and MASTERMONEY DEBIT card: You may withdraw cash from your savings and checking account(s). You may transfer funds between your savings and checking accounts. You may make balance inquiries on your savings account and checking account(s). Deposits are not accepted at an ATM.

Your ability to perform the transactions or access the accounts set forth above depends on the location and type of ATM you are using and the network through which the transaction is being performed. A specific ATM or network may not perform or permit all the above transactions. You may access your accounts through the following networks: STAR, ACCEL, CIRRUS, and ALLPOINT.

ATM FEES.

When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used, and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

POINT OF SALE TRANSACTIONS

You may use your MB ATM card or MASTERMONEY DEBIT card to purchase goods and services from merchants that have arranged to accept your MB ATM card or MASTERMONEY DEBIT card as a means of payment (these merchants are referred to as "Participating Merchants"). Some Participating Merchants may permit you to receive cash back as part of your purchase. Purchases made with your MB ATM card or MASTERMONEY DEBIT card, including any purchase where you receive cash, are referred to as "Point of Sale" transactions and will cause your "designated account" to be debited for the amount of the purchase. The designated account for MASTERMONEY DEBIT card transactions is your checking account. In addition, your MASTERMONEY DEBIT card may be used at any merchant that accepts MasterCard® debit cards for the purchase of goods and services. Your card may also be used to obtain cash from your designated account at participating financial institutions. Each time you use your MB ATM card or MASTERMONEY DEBIT card, the amount of the transaction will be debited from your designated account. We have the right to return any check or other item drawn against your account to ensure there are funds available to pay for the MB ATM card or MASTERMONEY DEBIT card transactions. We may, but do not have to, allow transactions which exceed your available account balance or available overdraft protection. If we do, you agree to pay the overdraft. You also agree to pay overdraft charges in effect from time to time for each transaction which causes your available account balance or available overdraft protection to be exceeded.

CURRENCY CONVERSION -MasterCard®.

If you perform transactions with your card with the MasterCard® logo in a currency other than US dollars, MasterCard International Inc. will convert the charge into a US dollar amount. At MasterCard® International they use a currency conversion procedure, which is disclosed to institutions that issue MasterCard®. Currently the currency conversions rate used by MasterCard® International to determine the transaction amount in US dollars for such transactions is generally either a government mandated rate or wholesale rate, determined by MasterCard International for the processing cycle in which the transaction is processed, increased by an adjustment factor established from time to time by MasterCard International. The currency conversion rate used by MasterCard International on the processing date may differ from the rate that would have been used on the purchase date or the cardholder statement posting date.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or point of sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (twenty business (20) days for new accounts) for the amount which you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (30) days after the first deposit to the account is made, including those for foreign initiated or point of sale transactions.

- If we receive inaccurate or incomplete information needed to complete a transaction.
- In the case of preauthorized transfers, we will not be liable where there is a breakdown of the system which would normally handle the transfer.
- If the funds in the account are subject to legal action preventing a transfer to or from your account.
- If the electronic terminal does not have enough cash to complete the transaction. There may be other exceptions provided by applicable law.
